BLACKFALDS NEWS

On Saturday, 14th, St. Luke's W.A. held a very successful sale of work and the sum of \$33.00 was raised.

Mr. and Mrs. Cliff made a motor trip to Edmonton over the week-end. Our genial mail courier is having rather hard times these days, owing to the state of the roads.

Mr. H. McLennan has been driving Mr. Manderson, the cattle buyer, round the surrounding districts.

Mr. and Mrs. Hanna and family have taken up residence in their new home at Burbank. Mr. Hanna purchased the Gregson farm. We all heartily welcome this family to our district.

On the 12th, Mrs. Conquest, the 2nd Cross lecturer gave a very interesting address on the work of the Red Cross Society. The audience was wonderful, considering the state of the roads. Mrs. C. B. Fischer and Mrs. F. H. Miller contributed a dues which was greatly appreciated by all. Mr. Morden and family received the sad news of the death of Mr. Morden's brother.

ALBERTA LIVELY BARN
Albert Barker, Prop.
174

ABOUT TOWN

Douglas Laing, son of Mr. W. Laing, of the Calgary Herald, spent his Easter holidays visiting with Harry and Claude Halpin.

A letter from Mr. F. H. Duckett, from Everett, Wash., indicates that Alberta is not alone in the lateness of Spring weather. Mr. Duckett says the season is very backward over there, and in adjoining States.

Archie Barker, one of our successful farmers, who is located about four miles north of Lacombe, sold his farm this week to A. E. Bell, of Medicine Hat, the price being \$10,000. Mr. Barker will take possession in June. Mr. Barker is selling out on account of the health of his wife, who has been ordered to remove to another climate, and the family will make their home near Brantford, Ont.

The members of the Senior Choir of St. Andrew's United Church, wishing to augment their fund, to purchase new music for the choir have decided to use their talent in the form of a short sacred concert to be given immediately following the evening service, possibly each two weeks until further notice. Those who appreciate the voluntary work of this choir are asked to remember the plate at the door as they pass out.

Those who missed hearing the United Church choir in the Cantata "Jesus Saves", which they rendered on Easter Sunday and again last Sunday evening, have much to regret, as it was one of the most beautiful ever given here. Next Sunday after the evening service the choir are planning on giving the first of a series of sacred concerts which will merit the hearty encouragement and support of everyone, as St. Andrew's congregation has good reason to be proud of both their Senior and Junior Choirs, which add so much to the beauty and enjoyment of the services.

Lacombe youngsters have again distinguished themselves and brought honor and fame to their district. Out of 46 entrants in the calf feeding competition held in Edmonton, this week, seven prizes came to Lacombe, these being Margaret Roper, 2nd; Barbara Chessor, 3rd; George Chessor, 5th; Edward Chessor, 9th; Gordon Boden, 10th; John Boden, 13th; Henry Magilton, 19th. With the wonderful training given, the younger generation in every branch of Agriculture, as well as in Arts, etc., truly Lacombe and district should have a remarkable future.

They certainly go in for real celebrations up at the north end of Gull Lake. Last week a couple got married, and friends and neighbors turned out to give the happy couple a little send off. There were saw balls, plough shares and other a-w-e makers in the crowd, but the climax was capped by a young man with a 22 rifle. The noise not giving him sufficient "kick" he fired four shots through the windows of the house, fortunately hitting no one. This is carrying a joke too far, and the young husband is seriously considering having the author of the joke arrested, which is what he needs.

Mrs. Allan MacDonald, whose marriage took place about a month ago, received her friends in a smart, pleasant "At Home" on Thursday afternoon, April 12th. The tables and rooms were prettily decorated with Easter lilies, tulips, and other seasonal flowers. Mrs. T. Delaney of Edmonton, assisted Mrs. MacDonald in arranging for the reception, and with Mrs. A. W. MacDonald assisted in receiving the guests. Mrs. J. Jackson and Mrs. J. Fraser, poured tea; Mrs. W. T. Hynes and Mrs. J. H. Moore managed the ice; Mesdames Locke and Owen ushered the guests to the dining room, and Miss E. Osborne, B. Reed, M. Masters and H. Almond assisted in the dining room. The number of friends who called attested to the popularity of the bride.

Alix Suffers Fire Damage

MIDNIGHT FIRE TAKES TOLL ON ALIX MAIN STREET

A disastrous fire broke out in the rear of the Alix pool room at 12:45 a.m., Thursday morning and only hard work on the part of the citizens prevented a complete sweep of the west side of the Main Street. As it was, four buildings were burned to the ground, comprising the Hardware, Pool Room, Royal Bank and office building. Those suffering from loss are:

G. A. Thompson, Hardware, Stock and Building; G. H. Darlow, Pool Hall, Moving Picture Machine and an office building; Royal Bank, building and equipment; C. T. Brown & Son, Pool Hall and Barber Shop equipment; The two banks here, George Collingwood and R. J. Wright, personal effects; W. L. Pettit, damage to pool office building; Henry Drug Store, damage to stock in handling.

We understand that the business places all carried insurance, which will lessen the loss to some extent.

The origin of the fire is a mystery, as beyond the fact that the blaze was first discovered in the south-west corner of the pool room by Mr. P. C. Toepfer nothing further is known except when the firemen (summoned by car and bell) had arrived that building was doomed.

Victory. — The area of forest land in British Columbia dedicated to future forest production is 5,860,000 acres, according to a Government report.

Calgary. — Plans are actively under way by the Calgary Terminal Grain Company to build a seven hundred thousand bushel elevator at Vancouver. It is announced by A. R. Betts, manager of the company, that the site had been secured on the north shore, approximately opposite Spillers elevator.

Five special trains carrying around 1500 pilgrims passed through Montreal recently on their way to Quebec City and the shrine of Ste Anne de Beaupre also visiting the shrine of St. Joseph in Montreal on their return trip. They were from the church of St. Athan, Jersey City and under the care of Father Thomas M. Curry, parish priest, were on their annual pilgrimage to these shrines.

Shipments of freight destined to points in the north-west of Canada via Port McNicoll, Ont., on the Canadian Pacific lake and rail route will now be accelerated, the earliest date being April 9. There will be five steamers in the company's lake service between Port McNicoll and the head of the Lakes during the coming season. Through passenger service will be resumed this season from Owen Sound via 7 and from Port McNicoll, May 19.

Installation of Mack Tractors and Laper Trailers for rapid movement of freight from Canadian Pacific depots to and from outfit terminals has now been completed in Montreal and will shortly be in use in Toronto. The tractor is immediately attachable to one or more of these trailers which each can hold up to 15,000 lbs. of freight and can be as easily disconnected. They are expected to immensely expedite the movement of C. P. freight.

Immigrants are flowing into Canada at record rates since lately and Canadian Pacific steamers from Great Britain and Europe are bringing them over at the rate of thousands of close on a thousand per ship. The majority are farm laborers of British and North European stock and are mostly going in the land in the Prairie Provinces with a fair proportion going to Ontario and the Maritime Provinces.

Winnipeg. Despite the heavy movement of immigrants to the West during the past two weeks, more positions are open on western farms than the railways and employment agencies can fill. Immigration and employment officers state. Thousands of vacancies the officers said had been reported in the West. An earlier commencement of seeding operations is generally expected in the West, and this added, unless immigration continues at its present high peak the opening of operations on the land may find western farmers short-handed.

As the result of a conference between members of the Sloop "Herring" Association, a formal representative and members of the Vancouver and British Columbia Trade Association, a plan was laid for the raising of money to build a new sloop in the plan now in operation in North Dakota. J. D. McFarlane, an appointed temporary chairman of a committee to make further arrangements for the carrying out of this plan.

Lacombe was again in the front ranks at the recent spring Live Stock Shows. Margaret Roper's store won 2nd prize at Edmonton and sold for the high figure of 70 cents per lb., making a record for any sale in Alberta. Barbara Chesnor's heifer won 3rd prize, but was not offered for sale, as it is valued in the herd for breeding purposes. John Ewing bought the Champion Bull at the Calgary Sale and Henry Trame has acquired the Champion Bull of the Kamloops Sale. Both these animals should be a valuable addition to the live stock of the district.

IN MEMORIAM

In ever Loving Memory of
William Carlyle Collett,
beloved son of Mr. and Mrs. J. H. Collett; passed from this life, April 21, 1927.

BRIGHT FUTURE FOR SHEEP

Sheep are making steady increase in Canada, but the Dominion has to advance a great distance before it can be placed, among the leading sheep-producing countries of the world. The sheep and lamb population of Canada in 1927 was 3,262,000. This is really small, when compared with the sheep holdings of some other countries. Great Britain and Ireland have 25,000,000; South Africa 35,000,000; United States 39,000,000; Australia 30,000,000. A marketing specialist of the Dept. of Agriculture, after a thorough survey of world conditions sums up the situation in this way:
The production of sheep in New Zealand, Australia and South Africa has reached the high water point, and cannot be expanded because of limiting climatic and geographical conditions. The British Isles are cramped through lack of space and cannot increase their sheep holdings. Canada is the logical place for further expansion. With sheep proving so profitable over the last few years, by virtue of their dual return in meat and wool, there seems to be a golden opportunity for our farmers in Central and Northern Alberta to largely increase their sheep holdings.

FLIES TO OLD HOME AT

Dr. Harold W. Trott and Mrs. Trott of Hemlock, N.Y., paid a flying Easter visit to the doctor's parental home in Mt. Brydges. They came last week in their privately owned airplane, and made the trip without accident, although they got 400 miles off their course and were delayed at Buffalo. The plan, which is a large Waco, carrying three passengers, landed at London airfield for customs inspection, and then proceeded direct to Mt. Brydges. Dr. Trott is among the first few (if not the first) to successfully use in private life this new mode of transportation in visiting this part of Ontario.

Dr. Trott is a brother of Mr. W. J. Trott of Lacombe.

LOCKHART NEWS

The annual meeting of the shareholders of the Lockhart Hall was held on Saturday night. The same board was re-elected: Myra C. A. Robson, Geo. Fraser, Arthur Jeffray, Carl Gelin and Len Beddoes. Mr. N. A. Palm and Chas. Calkins have agreed to serve as directors and do the Janitor work for the following year. The financial report was given and approved. There was quite a sum over expenditure. After the hall meeting the discussion of planting trees was brought up. It was decided to plant trees around the hall and the church. The men promised to bring plows and do the work if the women would supply the "cash". The land is to be prepared this year and the trees planted next spring. Mr. Caldwell will supervise the planting. Mrs. Floyd, app of Springdale, has been visiting her sister, Mrs. Grover Robson.

The W.L.C.G. will hold their meeting on Saturday at Mrs. Wm. Malcolm's.

Miss Ruby Doty left on Thursday for Red Deer, where she starts to train for nursing in the Children's Mental Home. Miss Doty will be missed in the community, but we wish her every success in her new work.

James Layton has returned from the Old School of Agriculture, having completed his course there. He will help his father with the spring work before returning to school.

Mr. Brown conducted church service on Easter Sunday. Mr. LeRoy

Nervous and Miserable Through Constipation

"Fruit-a-lives" Restores
Vigorous Health

MR. D. DUPERON.
The drowsy, fatigued condition that usually goes with constipation is a serious handicap. Overcome it. Be healthy by taking "Fruit-a-lives". Read this letter: "Maxville, Ont.—'The results are marvellous. That nervous, tired feeling has completely gone. 'Fruit-a-lives' has made a new man of me.'"
—Mr. Donald Duperon.

"Fruit-a-lives" is the intensified juices of ripe, fresh fruit, blended with stimulating tonics. It is the stoutest natural food of constipation. Gentle, natural and restorative in its action, it builds the system to function properly without the constant use of laxatives. 35c and 50c at all druggists. Try it to-day.

STEVES gave a violin solo.

Don't forget that there is Sunday School every other Sunday at 11 a.m. with Mr. Layton as superintendent. Church service conducted by Mr. Brown followed immediately after Sunday School.

Mr. and Mrs. Frank Papp have gone to Calgary where they expect to make their home this summer.

School re-opens on Monday, April 16th.

Mr. and Mrs. Bob Jeffray were visiting at the Wm. Jeffray home on Monday.

The Strachan family spent Easter Sunday with Arthur Jeffray.

Mr. and Mrs. Joe Papp visited their daughter Mrs. Lawrence Schrader on Monday.

Roy Weiss, Len Beddoes and John Erickson took hogs to Bentley on Friday.

Mr. E. St. J. O'Neil was the first in the valley to start seeding. He seeded a patch of Alaska Clover on April 7th.

Mr. and Mrs. Geo. Beddoes spent Sunday at Sidney Brooks.

Mr. and Mrs. Lawrence Schrader gave their wedding dance on Friday night.

We noticed most every kind of conveyances, cars, trucks, wagons, sleighs, top buggies, cutters and saddle ponies, but everybody got there. Owing to the condition of the roads, Herrgott's orchestra was unable to get there, but the music put up by the Bluffton orchestra was very good indeed and everyone had a nice time. A collection was taken and given to the bride and groom. Elmer Calkins made the presentation to which Mr. and Mrs. Schrader responded. A very good supper was served and Lawrence passed around smokes and candies.

We wish Mr. and Mrs. Schrader a happy and prosperous married life.

Miss Rosie Gori came out from Bentley to spend the week end at her home and attend the Schrader dance.

McNab.
Many Sprucevilleites are sincerely hoping that they can get to Lincoln on Friday, 20th to attend the play being put on at the community hall. The title "Advertising for a Husband" promises lots of fun.

It really is hard on our young men and women, particularly, that the roads and weather have been so bad during the teacher's holidays—Sylvan Lake is such a way, and the going to town has been a severe task.

The postponed U.F.W.A. afternoon meeting will be held—weather permitting at the home of Mrs. Proudfoot, April 26th. Mrs. Walker will give the paper on Gardening that was scheduled for the evening meeting, and Mrs. B. Boden, Current Events. The roll call to be answered by a Household of Spring Cleaning. The hostesses are Mrs. I. S. and L. P. Young and Mrs. Heath.

If anyone wishes to know the state of the roads for a car—they should ring up Mr. Condie Biggs, he can tell them.

Mr. and Mrs. Heath were visitors at the home of Mr. and Mrs. Percy Young on Sunday.

Mrs. W. J. Mitchell must have been forewarned of the cold weather, due this month, as she raised her chickens 125 of them, so early that they are running around in a fully feathered condition. As guests were observed flying south this week, it is perhaps a good thing.

Mr. Alf Smith and Mr. Sladen took advantage of the English church service to go to Lacombe to attend it, and also to visit at the home of Mr. and Mrs. Threlfall last Sunday.

JONES VALLEY NEWS

Mr. and Mrs. Geo. Valentine and Mr. and Mrs. Burns arrived from Scotland on April 14th and will spend

the summer with Mr. John Russell, Sr.
Tom Russell has purchased a new John Deere tractor so is all ready for Spring work.

Mrs. Smith moved into Spring Valley April 12.

Hazel Middleton and Alden Sawyer are new pupils at Jones Valley School.

A fair crowd attended Frank Miller's Sale, but we were sorry things went so cheap.

It has been a poor spring for the lamb crop. Both Mr. Leader and Mr. Sawyer losing quite a few lambs.

We understand Mr. Swain will not undergo the operation that he went to Mayo Brother's for.

Mr. Dick Cate of Spring Valley had the misfortune to have his house burn down. Hardly anything was saved.

INTERESTING LECTURE

Dr. McLauren's lecture, giving a most entertaining account of running down dangerous streams from Summit Lake B.C. near Prince George over Crooked, Parap and Peace Rivers. A trip through the wilds of Northern B.C. and Alberta. The Peace River cuts through the Rocky Mountains—thrilling experiences. Forcing over furious rapids.

Many scenes of the agricultural districts of Peace River and Grande Prairie, will be shown—the home of future millions. This lecture has drawn large crowds wherever delivered. Be sure and keep the date open April 26, in the Cosy Theatre.

Florence Mohine a former student of C.J.C. spent the week end at the College visiting her former friends.
We are glad to welcome the two Simmond's sisters into the dormitory for the remainder of the school year. It seems good to have Robert Steinko with us again after undergoing an operation in the Edmonton hospital.

The examinations for the second Mid-Semester are to be carried on in the regular forty-five minute class periods.

Due to the fact that the examinations will be held this week, a quiet hour was observed on Saturday night. Alex Clark has just returned from a successful rat hunt near his home town, and is eagerly preparing for his examinations.

The new recreation equipment has arrived and all are now eagerly awaiting dry weather so that they may put it to good use.

Mr. John Gunn's sister, a nurse from Drumheller, visited him Monday between trains, while on her way to visit her brother at Rimby.

Mr. D. L. Morris has disposed of his purchased Holstein dairy herd to Cando, Sask.

Professor A. J. Skeels left Friday morning for Calgary where he spoke to the Calgary church Sabbath morning. He will also attend to some business for the College while there.

Pastor Gulbranson spoke at the morning meeting on Sabbath, his subject was on "Christ our Mediator."

By the response received from the listeners we believe that a great benefit was derived by all who heard him.

Everyone at C.J.C. feels that he owes a debt of gratitude to Pastor Gulbranson for his splendid sermons which he gave during the Spring Week of Prayer. He is a man who has a vital connection with God, and his sermons were filled with the many experiences he has had in having God answer his prayers. Every student and teacher feels that his visit is a new milestone in their Christian experience, and in a closer walk with God. Our prayers will follow Pastor Gulbranson as he goes from us and resumes his heavy task of laboring for the Icelandic people.

APPLICATION FOR LEASE OF ROAD ALLOWANCE OR SURVEYED HIGHWAY

Notice is hereby given that John Raabis, of Gilby P.O. in the Province of Alberta, Farmer, has made application to the Minister of Public Works, Edmonton, for a lease of the following road allowance or surveyed highway, viz:

The road allowance adjoining the West boundary of the N.W. 1-4 of Sec. 20-46-8-W4th.

Any protest against the granting of the above mentioned lease must be forwarded to the Minister of Public Works, Edmonton within thirty days from the date of this notice.
Dated April 2, 1928. John Raabis.

This little Stevens sure throws 'em straight and hard, whether you're sighting on a scurrying red squirrel or into a bull's-eye. And notice how smooth and easy she pumps! 15 shots, snappy as a trip-hammer. You can't beat the old Visible Loading for dead-eye accuracy, because the barrel's bored like every Stevens barrel—scrapped so smooth that the final cutting removes less than 1/1000 of an inch. That slow, painstaking method gives an accuracy that *isn't*. And the same care is given to every little detail of every Stevens gun—examine that handsome finish—get the perfect balance as you too her up. A Stevens is right, from muzzle to butt-plate. Finally—the price is right. So low as to be little short of amazing. Ask at your dealer's, or write us for full details of the Stevens line, rifles and shotguns.

Stevens "Visible Loading" is an accurate 25 caliber repeater. You know when it is loaded, and you know when it is empty.
